

# Falls Prevention

## Assessment - Education - Independence

***Did you know*** that serious falls and fall-related injuries are one of the single greatest contributors to loss of independence among older adults? So, take a stand against falls!

***Join us on Friday, November 20th at 10:00 am*** for a conversation about falls awareness, education, basic interventions, and community supports with our featured panelists:

- **Britt Bassoni**, Director of Special Projects, Seniors Council of Santa Cruz & San Benito Cos.
- **Dr. Joyce Orndorff**, Assistant Physician in Charge, Kaiser Permanente Santa Cruz County
